User Safety

Your safety and the safety of others are very important.

We have provided many safety messages in this manual and on your tool. Always read and obey all safety messages.

This is a safety alert symbol. This symbol indicates a potential personal injury hazard. All safety messages will follow the safety alert symbol with the word “Danger”, “Warning” or “Caution”.

Indicates a hazardous situation which, if not avoided will result in death or serious injury.

Indicates a hazardous situation which, if not avoided could result in death or serious injury.

Indicates a hazardous situation which, if not avoided could result in minor or moderate injury.
